Guided Tours

Special features included in this tour

• Venture into the Fairbanks wilderness with a Local Guide on two evenings to search for the spectacular Aurora Borealis, also known as the Northern Lights (weather permitting)

Explore Fairbanks on a guided sightseeing tour featuring the University of Alaska Museum of the North and the engineering marvel of the Trans-Alaska Pipeline

•

Discover Denali National Park and visit the Murie Science and Learning Center, gateway to Alaska's 6-million-acre wilderness preserve

•

Travel aboard the legendary Alaska Railroad on the Aurora Winter Train enjoying spectacular winter scenery from Fairbanks to Talkeetna

• Visit to Happy Trails Kennel, home of four-time Iditarod Champion Martin Buser, an experience a firsthand mushing demonstration from expert sled dog trainers

•

Explore Anchorage including the Anchorage Museum, Lake Hood Seaplane Base and Alaska Wildlife Conservation Center

• Enjoy a two-night stay at the renowned Alyeska Resort in Girdwood, surrounded by the dramatic beauty of Alaska's Chugach Mountains

Prices subject to change without notice
